

Club Car TXTPDS

Serial Number: 2321094

Technical Specifications

Feature

Specifications

Body and finish

Injection-molded TPO (back and front)

Frame

Welded steel with a powder coating

Size

47 x 93 inches (W x L)

Front wheel track

34 inches

Rear wheel track

38.5 inches

Wheel base

66 inches

Valve train

One-cylinder OHV featuring a hemispheric combustion chamber

Power source

4-cycle, 401cc

Horsepower

13.5HP

Electric system

Solid-state regulator, starter/generator

Speed on level ground

13mph (+/-0.5mph)

Oil filter

Spin on

Lubrication

Pressurized oil system

Fuel capacity

20 liters

Battery

One 12-volt

Drive train

Continuously variable transmission

Gear selection

Forward-reverse

Cooling system

Air cooled

Seating capacity

Two people

Rear axle ratio

15.78:1 (rear), 11.42:1 (forward)

Towing capacity

Three EZGO golf carts using approved
permanent tow bar
